July 11, 2023

Colorectal Cancer Screening Initiatives

Applicable to: Mercy Care Advantage

MCA sends an annual brochure to all members who are past due with their colorectal cancer screening and we encourage them to speak to their primary care provider about having a screening completed. During any visit with members, please take the opportunity to discuss the different screening options with them to help determine which colorectal cancer screening is right for them. We are offering a \$30 gift card incentive to members that complete a colorectal cancer screening between January 1 through December 31, 2023.

We appreciate your assistance in ensuring our members are getting screened for colorectal cancer and for participating in the effort to help save lives.

In the meantime, don't hesitate to contact your [Mercy Care Network Management Representative](#) with any questions or comments. You can find this [Notice](#) and all other provider notices on our Mercy Care Advantage website.

Thanks for all you do!
