Non-Covered Prior Authorization Codes Updated

Applicable To: Mercy Care Complete Care, Mercy Care ACC-RBHA, Mercy Care DD, Mercy Care Long Term Care, and Mercy Care DCS CHP

In a periodic review of our Prior Authorization code listing and coverage, we are updating the attached list of codes for monovalent COVID vaccines to non-covered. If you have questions, contact your Network Management Representative. We continue to cover bivalent vaccines.

Mercy Care **will deny claims for dates of service 4/18/2023 and after** for the set of codes listed below for participating providers. This is part of a larger optimization initiative intended to ensure the safety, medical necessity, and appropriateness of requested procedures.
