As indicated on the [AHCCCS Targeted Investment 2.0 Program Overview](#) web page, the Targeted Investments Program (TI 2.0) aligns with AHCCCS' strategic plan and Arizona's Section 1115 Waiver to support and incentivize providers to develop and enhance comprehensive whole person care systems that effectively address the social risk factors that adversely affect health. Eligible Medicaid provider organizations that meet certain benchmarks will receive financial incentives through managed care plans for developing infrastructure and protocols to optimize coordination of services designed to meet the member's acute, behavioral, and health-related social needs (HRSN) and address identified health inequities among their patient population.

As a reminder, the Targeted Investment Program 2.0 is open for provider interest forms. Critical due dates to be aware of are: Provider interest form due by 6/30/23 (Justice Program) or 8/30/23 (PCP and BH programs). Applications are due by 9/30/2023. For more details on the TI 2.0 Program, please go to the [AHCCCS TI 2.0](#) website.
